

## faceupcymru Nurse Appointment

Do Bevan, our new **faceupcymru** Clinical Nurse Specialist has joined the Multi Disciplinary team at UHW. The charity's President, Captain Sir Norman Lloyd Edwards, presented Do with her name badge and welcomed her at a function held at the UHW Sports Club, on Friday, November 13.

Do will work alongside Annette Beasley, CNS, helping patients in hospital, at home and at clinics in UHW and Velindre.

Sir Norman and Chairman Neil Hutchings spoke to those attending saying that although our original aim was to open a 'halfway house' but due to the present economic climate this has not been possible. At least our supporters can now see a positive use of monies collected over the years, and patients will most certainly benefit from a second Clinical Nurse Specialist in the department.

Amongst those present at the function were — President, Captain Sir Norman Lloyd Edwards; Chairman, Neil Hutchings; Trustee, Karen Crowley; friends of **faceupcymru**, Eirian Owen, Cecilia, John Hawkins and Jo Gillian. Members of the Disciplinary Team included Advisor Consultant Michael Fardy, Head of Head and Neck; Mr Thompkinson, Hygienist Carolyn Joyce and Clinical Nurse Specialist Annette Beasley.

Our patron Stuart Burrows was unable to attend due to illness but was represented by his son Mark.

We are obviously delighted that we now have our nurse in the post and wish Do well in this new challenge.

As a small charity, we really need to focus on fundraising which will enable us to continue with our work which is to help patients, families and friends through this most traumatic time in their lives. Anyone wishing to help us in our fundraising, or any patients who need specific help from us please contact us at the address / telephone number on our home page.

## Karen reaches her £500 target

Karen Butler (niece of Karen Crowley, Trustee and oral cancer patient) ran the Leicester half marathon in aid of **faceupcymru**. She reached her target of £500 and swore never to do this again! Karen has now recovered and despite her initial reaction, she has decided to run for us again next year! Well done, Karen — despite her lack of experience, she covered the distance in a very respectable two hours 10 minutes, and is set on beating this time next year.

Sponsoring Karen is easy, just contact **faceupcymru** and we will do the rest! Karen Crowley is extremely proud of her niece and gives a huge 'thank you' to her.
